

HAIR-3RS

IN AUSTRALIA, 1 IN 4 WOMEN EXPERIENCE FAMILY VIOLENCE.

- + RECOGNISE SIGNS OF FAMILY VIOLENCE**
- + RESPOND TO DISCLOSURES**
- + REFER TO SPECIALIST SERVICES**

Research tells us that women are more likely to tell someone they trust, like their hairdresser or beauty therapist, about their experiences of abuse. HaiR-3Rs is a training program which explores the gendered nature of family violence and is designed to give those working in the hair and salon industry the tools to confidently respond to someone experiencing violence.
